

Safety ♦ Surveillance ♦ R&D ♦ Mission Strategy

BACKGROUND

Global Engineering and Management Services (GEMS), Inc. is a minority-owned, proud Service-Disabled Veteran Owned Small Business (SDVOSB) that provides Engineering, Project Management, and Organizational Support Services to government and commercial entities alike.

We are a team of highly-skilled professionals that consistently produce a wide spectrum of top caliber technical and management solutions for program management, strategic planning, system engineering/integration, business process reengineering, and IT integration challenges.

WHY GEMS

We consistently deliver quality products and services that meet or exceed client requirements, overcome unforeseen challenges, and focus on creating enduring partnerships. We are dedicated to empowering employees and fostering teams which deliver effective solutions on schedule and within budget.
